## Turkey promotions are active this week with over half of all sampled stores featuring turkey in their weekly ads. Whole birds are featured on a limited basis in various parts of the country and at higher feature price levels. Breast cuts, however, dominate ad space this week. Bone-in breasts are active on lower average price levels. Boneless breast cuts are quite active in store ads this week led by cutlets and tenders at higher feature price levels. Dark cut promotions are less in number this week with prices about unchanged. Ground turkey continues to enjoy strong promotion and at firm to higher feature prices. Lean 93% turkey is prominently promoted followed closely by ground breast and patties. In the North Central U.S., "June is Turkey Lover's Month" is being promoted.
